### NOTICE FOR GODPARENTS

*There should be two godparents as they have important roles namely leading the child in the ways of faith, by example. Thus, godparents should be practicing Catholics, attend mass regularly every Sunday and holy days of obligation and be proactive to family life. However, when circumstances permit a Christian witness could be allowed. In such case one of the godparents must be a practicing Catholic and the other from any other Christian church. To be a Christian witness, one must be a baptized member of a Christian church. Please don't just ask a friend or family member to be a godparent; they must fulfil the Church's criteria. For further clarifications, please ask your parish priest.*
